Giveaway! People Pets Daily Prize Pack Sweepstakes

Wednesday June 08, 2011 01:15 PM EDT

That's right, we've had some radical work done and debuted a whole new look that we hope you all love and enjoy – we know we do!

To celebrate, PEOPLE Pets is giving away an amazing prize every day during the month of June, with some help from our friends at PETCO. To kick off [our sweepstakes](#), one lucky winner received two \$100 gift cards to PETCO – one to keep, and the other to give to the animal shelter of their choice!

On Wednesday, June 8, we're giving away Planet PETCO Luv Gear with Temp Alert Technology. The items are from Planet PETCO's line of earth-conscious apparel, but they're also great for the summer heat, with temperature detection that lets you know when it's time to cool off your pet and take her inside.

[Check back](#) every day this month for more amazing prizes! Trust us, you won't be disappointed.
